

Sileby United Charities

We continue to receive payment twice a year from Mr Kimber at Barrow upon Soar for the use of the fields plus a small amount of other income.

We paid out £70.00 each to the four oldest gentlemen and the vicar in January. There is one payment of £70.00 outstanding which we shall pay out at the next meeting which will be at the beginning of May.

At that meeting we shall also distribute £30.00 to the 25 oldest ladies in the village.

Our assets are the four fields that Mr Kimber rents and we also have some monies which are invested with the Charity Commission. We also have a small amount of other income.

The net result is that income for the charity is slightly more than the amount that is paid out.

As we all get a little older we have invited some new people to the next meeting with a view to them becoming Trustees.
